

Team Distribution Index

9 case studies for Adobe Round 2 practice (including AuraWear). Clean split for a team of 3: each person owns exactly 3 cases.

Suggested ownership (edit names)

Member A: Cases 01 LearnOrbit, 02 TrailMuse, 03 MediLink

Member B: Cases 04 StackPilot, 05 BiteBeam, 06 VoltRide

Member C: Cases 07 GlowTheory, 08 ClaimWise, 09 AuraWear

Files in this folder

- 01_LearnOrbit_EdTech.pdf - LearnOrbit (EdTech)
- 02_TrailMuse_Travel.pdf - TrailMuse (Travel)
- 03_MediLink_Health.pdf - MediLink (Telehealth)

- 08_ClaimWise_Insurance.pdf - ClaimWise (Insurtech)
- 09_AuraWear_DTC_Apparel.pdf - AuraWear (DTC Apparel)

How to practice

- 45-minute silent attempt, phone notes only if your real round allows similar aids
- Exchange PDFs; grade each other on specificity + prioritization + metrics
- Rebuild one weak answer together using the shared AI writing prompt (human tone)
- After individual attempts, do a joint debrief on Case 09 AuraWear (classic GEO pattern)
