EDUCATION

Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat B.Tech in Artificial Intelligence	Expected 2028
The Indian School, Kingdom of Bahrain Class XII – CBSE Percentage: 90.0%	2024
The Indian School, Kingdom of Bahrain Class X – CBSE Percentage: 93.0%	2022

TECHNICAL SKILLS

Programming: Python, C, C++
AI & Data Science: Machine Learning, Artificial Intelligence, Data Science, Deep Learning, Computer Vision
Web Development: HTML, CSS
Databases: MySQL
Tools: Git, GitHub
Certifications: Oracle Cloud Infrastructure (OCI) Foundations

PROJECTS

Explainable Multimodal AI for Detecting Human & AI-Generated Content - Developing an explainable AI framework for detecting AI-generated and human-created images and videos. - Exploring Vision Transformers (ViT), Swin Transformers, FFT/DWT frequency analysis, Grad-CAM, and Attention Rollout. - Designing a hybrid multimodal architecture combining semantic and frequency-domain features to improve detection accuracy and interpretability.	Ongoing Research
Real Estate Data Analysis Tool - Built a Python application to extract, process, and analyze structured real estate property data. - Developed a modular pipeline for processing pricing, city-wise information, and property features while ensuring data consistency.	Python
Movie Recommendation Web Application - Developed a movie recommendation web application enabling users to discover movies based on genre, language, and release year. - Implemented backend logic for filtering, data retrieval, and modular application design.	Python, MySQL
Basho – Pottery Studio & Experience Website - Developed a responsive website for a handcrafted pottery studio showcasing ceramic products, workshops, and studio experiences. - Designed an intuitive multi-page interface with responsive layouts and user-friendly navigation.	Responsive Web Application

ACHIEVEMENTS & ACTIVITIES

- Participated in the **Adani PowerMind Hackathon 2026**, collaborating in a team to develop an AI-powered solution under competitive time constraints.
- Trained dancer demonstrating creativity, discipline, teamwork, and time management.
- Interested in Artificial Intelligence, technical research, web development, and reading.

LANGUAGES

Fluent: English **Native:** Malayalam **Conversational:** Hindi
