Education

Sardar Vallabhbhai National Institute of Technology (SVNIT)

Surat, India

Bachelor of Technology in Artificial Intelligence

2024 – 2028

- CGPA: **7.2/10**

Projects

Beneath the Blue | *Django, Python, SQLite, HTML, CSS, JavaScript*

- Developed a modular full-stack Django application with authentication, content management, and relational database integration.
- Designed a scalable backend architecture supporting community interactions and modular feature expansion.
- Built an interactive map interface integrated with database-driven features for scalable data management.
- Structured the application for future migration to PostgreSQL through modular backend design.

Clubify | *Django, Python, HTML, CSS, JavaScript*

- Developed a centralized platform for managing college clubs and events.
- Implemented secure authentication and role-based access control for students and organizers.
- Implemented backend modules for event creation, participant registration, role-based authorization, and notification workflows.
- Designed relational database models for efficient storage and retrieval of event information.

Research Experience

Undergraduate Research Assistant

Jul 2026 – Present

SVNIT

- Working on transformer-based approaches for cognitive impairment prediction using polysomnography (PSG) signals.
- Exploring transformer-based learning for physiological time-series analysis using Python and biomedical datasets.

Technical Skills

Programming Languages: Python, C++, C, JavaScript

Core Computer Science: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems, Software Engineering

Frameworks & Libraries: Django, React.js, C++ STL

Databases: SQL, MySQL, SQLite, MongoDB, Firebase

Tools: Git, GitHub, VS Code

Relevant Coursework

- Data Structures & Algorithms, Operating Systems, Object-Oriented Programming, Database Management Systems, Software Engineering, Artificial Intelligence

Leadership

Sponsorship Committee Member

Jan 2026

Mindbend 2026, SVNIT

- Managed a team of 10 members while coordinating sponsor outreach and industry engagement for SVNIT's annual technical festival.
