EDUCATION

Bachelor of Technology in Artificial Intelligence, SVNIT Surat

2024 - present

SKILLS

Languages: C, C++, JavaScript, Python, SQL, Linux.
Web/App Technologies: React, HTML, CSS, Tailwind CSS, MySQL, MongoDB, Node.js, Express.
AI/ML: NumPy, Pandas.
Tech Fundamentals: Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems (OS), Data Structures and Algorithms (DSA), Machine Learning.

PROJECTS

Multi-Agent AI Chatbot System (Full Stack)

[\(GitHub-Repo\)](#)

- Built a full-stack GenAI web application using React, Node.js, JWT, Firebase Authentication, and Gemini API.
- Designed a scalable microservices architecture with dedicated services for authentication, billing, chat, and agent orchestration.
- Implemented a multi-agent system with specialized agents for chat, coding, search, vision, PDF, image generation, and presentation generation.
- Integrated Redis for caching and rate limiting, AWS S3 for file storage, and Razorpay for subscription and credit-based billing.
- Enabled advanced AI workflows such as document upload, multimodal interaction, and context-aware responses for real-world use cases.

Gen AI Job Preparation Web App (Full Stack)

[\(GitHub-Repo\)](#)

- Built a production-ready full-stack app with React (Vite), Node.js + Express, MongoDB (Mongoose), JWT auth, and the Google Gemini API for AI.
- Implemented robust resume parsing (PDF/DOCX), ATS-friendly skill extraction, and automated skill-gap analysis that produces objective match scores and prioritized preparation plans.
- Developed AI-driven interview features: generated technical and behavioral questions, ran interactive mock interview sessions, and produced scored feedback reports.
- Automated ATS-optimized resume and cover-letter generation with HTML templating and PDF creation using Puppeteer for one-click downloads.

COMPETITIVE PROGRAMMING

- Solved over **1200+ problems** across platforms like LeetCode, Codeforces and CodeChef. **Participated in 40+** rated contests with a max streak of 120+ days .
- **Leetcode Max Rating : 1900** 30+ contests, 950+ questions solved
- **CodeChef Max Rating : 1472** participated in 10 contest

POSITION OF RESPONSIBILITY

Social media and Design team E-cell SVNIT

Jul 2025 - Present

Member of Academic Affair Council SVNIT

Jan 2026 - present

Jr. Developer, Google Developer Group On Camp

Oct 2025 - present
