

Rudra Trivedi

AI/ML Engineer — Backend Developer
+91 9974154676 | rprrivedi2008@gmail.com | LinkedIn | GitHub | Tharad, Gujarat

Education

Year	Degree/Certificate	Institute	GPA/%
2024-Pres	B.Tech (Artificial Intelligence)	SVNIT, Surat	8.4/10.0
2024	Higher Secondary (GSEB)	BAPS Swaminarayan Vidhya- mandir	86.3%
2022	Secondary (GSEB)	BAPS Swaminarayan Vidhya- mandir	91.1%

Research Experience

Hybrid Ensemble for Astrophysical Document Classification *Paper Accepted — WASP 2025*

- **Tech Stack:** Python, PyTorch, astroBERT, XGBoost, Scikit-learn.
- Co-authored research paper on hybrid stacking ensemble architecture for classifying telescope roles.
- Engineered two-level model combining **astroBERT** with a rule-based keyword classifier.
- Developed optimization strategy using XGBoost meta-learners to mitigate class imbalance.

Projects

AI Image Forgery Detector *Python, TensorFlow, ResNet, LSTM*

- Architected dual-stream CNN-LSTM hybrid model to classify real vs. AI-generated images.
- Engineered dynamic ensemble script with custom thresholds to reduce false positives.
- Optimized data pipeline, resolving a critical 30GB memory bottleneck.

Fashion Fiesta - Designer Platform *Full-stack, JWT, Cloudinary*

- Developed platform connecting student designers with users via secure image hosting.
- Built backend with JWT authentication and an AI-powered navigation chatbot.
- Implemented full CRUD for donations, diaries, and user profiles.

MindEase - Mental Health Awareness *Botpress, Matplotlib, Web Tech*

- Built responsive website with “Psychobot” for real-time QA.
- Implemented appointment booking with full authentication and email confirmations.
- Designed global mental health trend visualizations using Matplotlib.

Technical Skills

Languages: Python, C++, JavaScript, C, HTML/CSS

Frameworks: PyTorch, TensorFlow, Keras, NumPy, Pandas, Scikit-learn, FastAPI

Developer Tools: Git, GitHub, Backend Development, EDA, DSA, n8n, MCP

Concepts: ML Engineering, Automation (n8n), MCP Servers, System Architecture

Achievements & POR

Achievements

- **WASP 2025:** 4th rank on Kaggle.
- **ACM:** Summer Challenge Finalist.
- **Genesis:** Secured 1st Position.
- **GWOC:** Finished in top 3.

Positions of Responsibility

- Junior Developer, GDG on Campus, NIT Surat.
- Executive, ACM, NIT Surat.
- Technical Co-Head, MindBend.
- Executive, Cutting Edge Visionaries.
