Career Objective

Second-year student at SVNIT, Surat currently pursuing B.Tech in Computer Science and Engineering with a strong foundation on programming seeking to expand my knowledge and apply it to real-world challenges.

Education

B.Tech in Computer Science and Engineering 2024 – Present

- GPA: 7.66/10

Global Indian International School (GIIS), Kuala Lumpur 2017 – 2024

Central Board of Secondary Education (CBSE)

- 10th Percentage = 95.2%
- 12th Percentage = 94.8%

Projects & Experience

AI-Assisted Patient Motion & Vital Correlation Monitoring System [GitHub Link](#) 

Healthcare AI Project

- Built an AI-based patient monitoring system using Python, OpenCV, and MediaPipe for real-time micro-movement detection, vital sign correlation, and automated alert generation.

Bloom Branding Website (Google Winter of Code - GWOC) [GitHub Link](#) 

- Built a production-ready branding website using Next.js (React) and TypeScript with reusable, scalable component architecture.
- Integrated Sanity CMS with custom schemas and implemented modular structuring, ESLint, PostCSS, and performance optimization.

Internship Candidate Finder - OOPS Project [GitHub Link](#) 

- Built a full-stack web application with a **Node.js + Express** backend and **Firebase** for authentication and real-time database, featuring separate candidate and admin portals.
- Candidates can register, log in, and upload resumes; admins can browse and shortlist applicants — implemented via **RESTful APIs** with middleware-based access control and MVC architecture.

Clubs and Activities

Junior Developer – Google Developer Group On Campus (GDGC) Aug 2025 – Present

- Participating in coding challenges, technical workshops, and knowledge-sharing sessions; building small projects and developing teamwork skills within the club.

Coding Club Representative – Nexus, NIT Surat Aug 2025 – Present

- Facilitate communication between students and the organization in institute-level initiatives; plan and execute engagement activities to strengthen the Nexus community.

Web Development Team Co-Head – Sparsh, Annual Cultural Fest, SVNIT Dec 2025 – Present

- Co-led the development of the official Sparsh website with responsive UI and event registration features.

Logistics & Operations Volunteer – TEDx SVNIT Dec 2025 – Present

- Coordinating logistics and on-ground operations for TEDx SVNIT — an independently organized TED event — ensuring seamless speaker sessions, audience management, and event flow.

Technical Skills

C, C++, Python, JavaScript, HTML, CSS, React.js, Next.js – Generative AI, SQL, LangChain — OOP

Extracurriculars

- RAAG - College singing club member.
- Participated in InterNIT Basketball competition held in NIT Jalandhar(2025) and NIT Surathkal(2026).
