

YASHVI AGARWAL

 Surat, Gujarat

 8619836815

 yashvi.churu@gmail.com

Career Objective

Analytically driven third-year B.Tech student in Mathematics and Computing with strong foundations in data structures, linear algebra, and machine learning. Seeking a corporate internship to apply quantitative problem-solving and programming skills in real-world systems while learning industry-scale practices.

Education

B.Tech – Mathematics and Computing	2024 – Present
Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat	CGPA: 9.01 / 10
Class XII	96.6%
Class X	94.6%

Technical Skills

Programming	C++, Python, MySQL
Machine Learning	Supervised Learning, Feature Engineering, Model Evaluation, XGBoost
Core Concepts	Data Structures & Algorithms, Linear Algebra, DBMS, Computer Networks
Tools	Google Colab, VS Code

Projects

Credit Risk Prediction Model	<i>Tech Stack: Python, XGBoost</i>
- Developed a supervised learning model to assess credit risk using structured financial datasets. - Performed preprocessing, feature handling, and model training using XGBoost. - Applied parameter tuning to improve generalization and reduce overfitting. - Evaluated model performance using standard classification metrics.	
Lifeline – Donor–Receiver Aggregation Platform	<i>Tech Stack: React</i>
- Built a web interface to connect donors and receivers through a centralized platform. - Implemented modular frontend components using React. - Structured the interface to improve clarity and user interaction flow.	

Academic & Analytical Strengths

- Strong mathematical base supporting ML and optimization concepts.
- Structured and systematic problem-solving approach.
- Ability to independently explore and implement new technologies.
- Consistent academic performance with analytical orientation.

Achievements

Reliance Foundation Scholar	Selected as a Reliance Foundation Undergraduate Scholar, awarded to top engineering students across India on merit and leadership.
Infosys STEM Scholarship	Recipient of the Infosys STEM Scholarship, recognizing academic excellence and potential in science and technology.
JEE Main – 98.7 Percentile	Achieved 98.7 percentile in JEE Main among over 1 million candidates nationwide.
