Global Investment Banking Summer Analyst — 2027 | Bank of America | Mumbai

Penultimate-year undergraduate | Available **Jun–Aug 2027** (10-week) | Seeking **2028** full-time conversion
English (fluent) | Hindi (fluent — additional Asian language) | Dedicated to a career in investment banking

Profile

Penultimate-year **B.Tech Artificial Intelligence** student, SVNIT Surat — **outstanding academic achievement** (CGPA **9.20/10**, graduating **May 2028**). Strong **quantitative/analytical** skills, **attention to detail**, and **client-focused** delivery; **assertiveness**, **initiative**, **leadership**, strong **work ethic**, and **team focus**. Superior extracurricular/professional track record; clear written and oral communication; learns quickly and adjusts to changing demands while managing several projects at once.

Education

Bachelor of Technology in Artificial Intelligence

Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat, India

CGPA: 9.20/10

Aug 2024 – May 2028

- Outstanding academic achievement (CGPA **9.20/10**); penultimate year; graduating **May 2028**; available Mumbai internship **Jun–Aug 2027**
- Coursework:** Probability & Statistics, Linear Algebra, Machine Learning, DBMS/**SQL**, Data Structures & Algorithms

Professional Experience

Software Engineering Intern — Client-Focused Analytical Delivery

IFFCO (Indian Farmers Fertiliser Cooperative), Phulpur Unit, Prayagraj, India

Jun 2025 – Jul 2025

- Delivered tools automating **50+** **daily** workflows for plant stakeholders—**client-focused** communication, attention to detail, and deadline discipline under changing requirements.
- Built **SQL**/MySQL services and **10+** **APIs**; quality-checked outputs; presented progress/trade-offs to mentors and non-technical managers (**written and oral** communication).
- Managed **several workstreams at once**; learned new systems quickly and adjusted priorities without dropping delivery quality.

Selected Projects — Analysis, Research & Presentation Materials

LogiFlow — Quantitative Decision Analysis (Google Solution Challenge 2026, Global Top 106)

Apr 2026 – Jun 2026

Python, SQL, Excel/CSV, multi-scenario analysis, stakeholder presentations

GitHub

- Built quantitative models on **15,650** records evaluating cost/time/risk trade-offs (Pareto ranking)—multi-scenario analysis with measurable metrics.
- Prepared **presentation materials** and demos for judges/stakeholders; co-led research, modeling, and delivery as **Technical Co-Lead** (initiative + team focus).
- Validated analysis with **100/100** automated checks before presenting—attention to detail transferable to research and client materials.

Community Hero — End-to-End Ownership (Vibe2Ship 2026, Global Top 20)

Jun 2026

Problem framing, delivery, stakeholder storytelling

GitHub

- Solo-owned problem framing through shipped product and presentation—**initiative**, strong **work ethic**, and multi-project ownership under a fixed timeline.

AirHelp — Research & Decision-Support Prototype (PowerMind Hackathon 2026)

2026

Research workflow over structured + unstructured knowledge

GitHub

- Prototyped a research-style insight system; iterated under time pressure and evaluated quality for **50–100** concurrent users.

Leadership & Achievements

- McKinsey.org Forward Fellow (2026):** Structured problem-solving and business communication—assertiveness; clear oral/written communication
- Executive Member, ACM SVNIT & Mentor, Nexus SVNIT:** Workshops and peer mentoring—leadership and team focus
- Google Solution Challenge 2026 — Global Top 106; Vibe2Ship 2026 — Global Top 20** — superior extracurricular performance
- LeetCode Knight 2048 (744 solved); Codeforces Specialist 1419 (265 solved)** — analytical performance under pressure

Skills & Career Interests

Languages: English (fluent); Hindi (fluent — additional Asian language)

Core: Quantitative/analytical skills, attention to detail, client-focused delivery, presentation materials, multi-project management, Excel, PowerPoint, SQL, Python

Professional: Learn quickly; take on new responsibilities; comfortable with change; energy & drive

Career: Investment banking (M&A / capital raising / advisory); interest in TMT and Financial Institutions coverage
